

# California Association of Licensed Repossessors "CALR" A Not-For-Profit Since 1961

[www.CALR.org](http://www.CALR.org)

*Individually we struggle to be heard - Collectively, we cannot be ignored*

For immediate release 8/16/2017

## CALR saves you money by partnering with VTS!

Members in California will no longer have to pay for background checks on the VTS platform, if the CALR Member is in good standing and their employee(s) holds a valid Repossession Agency Employee (RAE) Registrant or a Qualified Manager (QM) license.

CALR and VTS worked hard for this approval with the clients VTS serves. California RAE's and QM's must have Department of Justice (DOJ) and Federal Bureau of Investigations (FBI) background checks when applying for their credentials issued by the Department of consumer affairs, Bureau of Security of Investigative Services (BSIS).

This applies to new agencies signing up for VTS and your annual renewals. Thank you VTS for facilitating and offering this cost savings to our members.

Sincerely,

Marcelle Egley

President

California Association of Licensed Repossessors (CALR)
